## STEM Lego Initiative

Fourth, Fifth and Sixth class have been taking part in the Lego STEM initiative.

# Sixth Class

Sixth class have been keeping in touch with local dairy farmer Eoin Corrigan during calving season. He asked the class to name two calves that were born recently. They named the smallest calf Fionnuala and the red calf Terry.

# Senior Infants

Fifth class helped Senior Infants search for signs of Spring in our school grounds.

# New Jerseys

Many thanks to Alan Gibney of Gibney Electrical, who sponsored a new set of jerseys for the school.

# Mini 7s

Well done to our boys mini 7s team who competed recently in Dunganny.

# Junior Infants

Junior Infants have been practicing their gymnastic skills during PE.

# Fourth Class Projects

Fourth Class completed group projects about Italy.  
They presented their projects to the class.
