Issue 165: January 2023

Congratulations to our 6th class pupils who made their Confirmation on the 27th January.

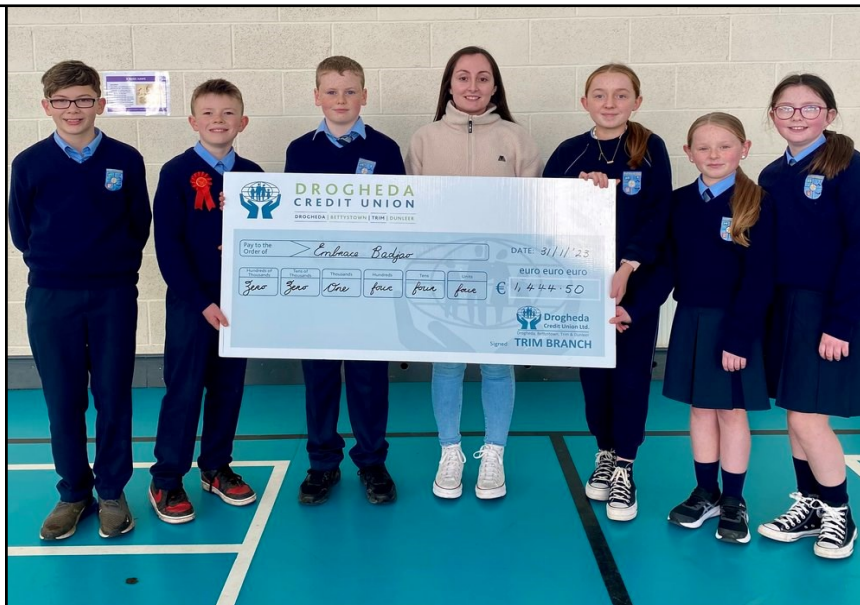

Fifth class have been learning about 'The Italian Renaissance'. We studied the talented artists Michelangelo Buonarroti and Leonardo da Vinci. Inspired by Michelangelo's work of art in the Sistine Chapel, the boys and girls in fifth had fun creating masterpieces while lying on their back. Well done everyone!

Senior Infants had great fun exploring our new library area. They enjoyed listening to stories and did some independent reading.

Thanks to all who supported our various fundraisers before Christmas. Our 5th and 6th Class pupils presented a cheque to Alannah Hannon for the Embrace Badjao project.

All classes have been working hard to improve their gymnastics skills during PE.

Congratulations to our 3rd and 4th class girls who won the Peadar Ó' Líatháin Shield Final
