Scoil Naomh Bríde, Boardsmill

Issue 166: February 2023

This month we have been learning about the importance of inclusion not only in our school and in our community. Fifth class thoroughly enjoyed playing some games that opened up conversations about diversity, acceptance and inclusion.

Senior Infants were busy looking for signs of spring around the school during SESE. They found daffodils, snowdrops, tree buds and swallows.

Fourth class were delighted to visit the Science, Technology, Engineering and Maths (STEM) room. There was lots of focus, team work and problem solving to be seen as they worked on their tasks.

Well done to the boys who took part in the FAI 5-a-side soccer tournament in the MDL.

Fifth class were busy learning about the history of St Brigid. They used rushes to make St Brigid Crosses and learned about how St Brigid used the cross to teach a sick chieftain about Jesus Christ and the Holy Trinity.

3rd class drew some fabulous Spring tulips to celebrate the beginning of Spring.

We had lots of fun making and eating pancakes in many of the classes to celebrate Shrove Tuesday.
