Issue 172: October 2023

We welcomed the Most Reverend Bishop Tom Deenihan to our school for a special blessing of our new school extension. Many parents and members of the local community attended this special event.

Junior and Senior Infants had a great day at Guy's Pumpkin Patch. Thank you to the Guy family for inviting us and to the Parents Association for the hot chocolate.

Well done to Emily in Sixth Class who represented Meath in the Community Games All Ireland Long Puck.

Fourth Class had great fun during Maths Week.

Senior Infants had a great day out at a Puppet Show in Trim Library. They also enjoyed a trip to the Playground after.

We have been busy in the school garden.
